Salt & Vinegar
Cheese & Onion
Ready Salted
Sweet Chilli

- Our crisps are made using home grown Tipperary potatoes and we have sourced local artisan food producers to provide unique individual flavours. These potatoes are peeled and finely sliced before entering the fryer where the slices are stirred in small batches in 100% sunflower oil. The seasoning is added and then the crisps are immediately bagged for extra freshness. O'Donnells crisps have no artificial colours or flavours, No MSG or GM ingredients, just honest to goodness crunch!
